

Lesson 6 Ending Activity:

Think about your favorite book from previous activities. Use the list of Beginning, Middle, and End events from the last lesson. Can you divide the events up further into the five parts of Plot Mountain?

Climax

Falling Action

Resolution

Can you create a short improvised narration of the story from beginning to end using your Plot Mountain list? Pretend you only had one minute to tell someone your favorite story!

Use another piece of paper or a computer to answer these questions.
