# CATCO'S LAND ACKNOWLEDGEMENT

---

We seek to inspire a community of empathy and have a responsibility to recognize the ways in which we benefit from colonization, both historical and ongoing. A Land Acknowledgement is a formal statement that recognizes and respects Indigenous Peoples as traditional stewards of this land and celebrates the resilience and strength that all Indigenous people have shown worldwide.

We acknowledge that in Central Ohio, we are on the traditional homelands of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe, and Cherokee Indigenous nations who have strong ties to these lands. Today, individuals from a broad range of Indigenous backgrounds call Columbus and central Ohio home.

We recognize generations who contributed their traditions, hopes, and spirit to make the history that led to this moment. While some have lived on this land for more generations than can be counted, others arrived here hoping for a better life, while others were forcibly taken and brought here against their will. The acknowledgment of the truth of these realities is critical to building mutual respect and connection.
